About the Conference

The ISHWMCON 2023 will have deliberations by eminent national and international speakers from healthcare establishments, WHO, industry experts and service providers.

AIIMS JODHPUR

AIIMS Jodhpur is one of the SIX NEW AIIMS established by the Ministry of Health & Family Welfare, Government of India under the Pradhan Mantri Swasthya Suraksha

Yojna (PMSSY) with the aim of correcting regional imbalances in quality tertiary level healthcare in the country and attaining self-sufficiency in graduate and postgraduate medical education. These institutions are being established by an Act of Parliament on the lines of the original All India Institute of Medical Sciences in New Delhi which imparts both undergraduate and postgraduate medical education in all its branches and related fields, along with nursing and paramedical training to bring together in one place educational facilities of the highest order for the training of personnel in all branches of health care activity.

Indian Society of Hospital Management (ISHWM)

ISHWM is a registered National body of experts in healthcare waste management. The ISHWM has been playing a pioneering role in the revision and updating of BMW Management Rules 2016, working hand in hand with like-minded bodies and organizations namely Ministry of Environment, Forest and Climate Change, Central Pollution Control Board, WHO SEARO and WHO

Country Office, IGNOU, Government of NCT of Delhi and various Central and State Government Hospitals. ISHWM has its chapters in Karnataka, UP (KGMU, Lucknow) and Telangana (Gandhi Medical College & Hospital, Hyderabad). ISHWM has recently completed WHO SEARO funded study on Immunization Waste Management for all the eleven countries in the region.
