02.10.2023

Subject: Request for submission of “Case studies” from your organization on various aspects of BMW management and Hospital Infection Control during the upcoming ISHWMCON-2023 at AIIMS Jodhpur on 3-4 Nov 2023

Dear Colleague,

Greetings from ISHWM, New Delhi.

I am writing to you on behalf of Indian Society for Hospital Waste Management (ISHWM) with a request to submit suitable “case studies” from your organization during the upcoming international conference on "Biomedical Waste, Hospital Associated Infections and Immunization waste Management" (ISHWMCON 2023) on 3rd & 4th November 2023 at the All India Institute of Medical Sciences, Jodhpur in collaboration with WHO and Govt of Rajasthan.

ISHWMCON-2023 will provide a unique platform to show-case these “Case studies” during the scientific sessions. These Case studies will be evaluated, and the best case studies will be compiled together under the aegis of WHO. *Please find attached herewith the template for the same vide annexure A.*

We look forward to your support in this endeavor, and request you to kindly submit suitable case studies which have been/are being implemented in your organization in accordance with the template latest by 15th October 2023 to the undersigned.

Thanking you,

Sincerely,

Prof. Sidhartha Satpathy
